

Holiday Assistance Information:

Our community has many resources available to help families with clothing, gifts, and food for the holidays.

Please notice the dates to sign up for holiday assistance and contact these agencies for help. It will be very important that you make note of the deadlines so that you and your child will not miss out on the help that is available.

All holiday assistance will be coordinated by outside agencies not the school.

- *Applications will not be taken unless the person applying has the required documentation. You must re-qualify every year. Do not bring children to the registration days.***

Local Church and Club Sponsorship

Several local churches and clubs sponsor a small number of children for the holidays. Contact your local church to ask for more information.
