News from the Nurse

Cold and Flu Season is here! Please keep yourself healthy by washing your hands often, especially after going to the bathroom, coughing or sneezing. Eating a balanced diet with all of the food groups and drinking plenty of water daily is a great way to stay healthy during the cold and flu season. Please remember that if your child is running a temperature over 100.0, please keep them at home until they are fever free without use of fever reducing meds for 24 hours. If you have any questions or concerns, please call me at (770)-869-3261 or send me an email at: gail.watson@hallco.org

Have a great January! Nurse Gail

School begins at 7:50 each day! All students who enter at 7:50 or thereafter are tardy. If your child arrives after 7:45am please make sure you walk your child into the office to sign them in for the day.
