**LULA
PTO**

**SUNSHINE
CLUB**

Lula PTO and Sunshine Club are partnering together to support our teachers and staff. Our kids spend 70% of their day with these teachers so let's make sure they have what they need to stay strong and healthy. Many parents/guardians have already helped us by sending in food/supplies and we are so grateful. We'll have many more opportunities thru the year for you to help so stay tuned.

September Teacher treats by

Thanks parents for your help!

FUNDRAISERS

Covid has kept us out of the school for the last few years so we've had money going out but not coming in. This year we are trying to fix that. We have several opportunities for parents to help so Stay tuned. More info to come.
