A Message from the Nurse

We are still in the middle of flu/sick season. Please remember that if your child is running a temperature over 100.0 to please keep him/her home until the fever is gone without the assistance of medication for **24 hours**. If your child generally does not feel well enough to be at school or has any vomiting, **PLEASE** keep him/her at home. Also, remember to call or send in a not to the school if your child is absent. Please remember medication rules. Please **DO NOT** send medications to school in your child's book bag. This includes cough drops. If your child needs these at school, an adult must bring them to the clinic and fill out a parent permission form. If you have any questions, please call the school or email gail.watson@hallco.org
Thank you!
