

School-Parent Compact

Lula Elementary School

2022-2023

Revised 8/22/2022

Dear Parent/Guardian,

Lula Elementary School, students participating in the Title I, Part A program, and their families, agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement as well as describes how the school and parents will build and develop a partnership that will help children achieve the State's high standards.

JOINTLY DEVELOPED:

The parents, students, and staff of Lula Elementary School partnered together to develop this school-parent compact for achievement. Teachers suggested home learning strategies, parents added input about the types of support they needed, and students told us what would help them learn. Parents are encouraged to attend annual revision meetings held during Spring each year to review the compact and make suggestions based on student needs and school improvement goals. Parents are also encouraged to participate in the annual Title I parent survey that is also used as a tool to collect parent feedback regarding the current Title I programs and policies. Lula Elementary is committed to helping our parents attend the parental activities. Please call or email us if you need assistance with child care or transportation in order to participate in our programs.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.
