Bulldog Essential: Cooperation: Working together to do more than you can do alone.

Principal's Message -- Teachers and staff continue to collaborate on professional learning in order to provide the best practices in a standards-based classroom. We are having our second PL on Artsnow and looking forward to using these strategies in the classrooms. Please continue to work with your child's teacher each day by promoting reading at home, working with your child each night on math facts, checking homework assignments and checking their daily folders. Remember to turn your clocks back on November 6. We will not have school on November 8, Election Day. I want to wish each one of you a very Happy Thanksgiving! Enjoy your time with your family and friends during the Thanksgiving holidays.
