

Message from the Principal

Welcome to Lula Elementary! We are very glad to have you as part of our school. It is my desire that all students, parents, and the community be involved in the school. I am available at any time to help you with concerns. The needs of each student are important to the faculty and staff.

We are proud of our school. **The mission of Lula Elementary School is to provide a nurturing environment that empowers students to be lifelong learners and to enable them to achieve their maximum potential.** It is the responsibility of all of us to create a positive school atmosphere. Safety is one of our top priorities and all visitors are required to sign in on the computer in the office before entering the school. This helps us know who is in the building at all times. It takes the cooperation of all to make the school a safe place for the students, staff, and community. Please take the time to read this handbook to become familiar with the organization of the school.

I look forward to working with each of you this year.

Sincerely,

Principal, Lynette Scheman

East Hall Middle School	770-531-9457

Principal of Lula Elementary = **Mrs. Lynette Scheman**
Assistant Principal of Lula Elementary = **Dr. Jessica Burce**
Counselor of Lula Elementary = **Ms. Edie Engle**

Hall County Elementary Education

The mission of the Hall County Elementary Schools is to provide a positive transition from pre-school through the 5th grade by offering each student the opportunity to develop intellectually, psychologically, and physically. This mission will be accomplished through a program that addresses the unique nature of the elementary school learner including appropriate and innovative teaching techniques within a secure and nurturing atmosphere.

The staff of the Hall County Elementary Schools work to implement this philosophy through the following goals:

- To provide a positive and safe learning environment.
- To develop a positive, cooperative and caring attitude toward others and self.
- To develop a positive attitude toward learning in each student.
- To develop a strong sense of responsibility for self and community in each student.
- To develop positive habits of health and physical well-being in each student.
- To provide students with a strong content curriculum.
- To provide each student with the opportunity to achieve academic success.
- To provide a curriculum that integrates all areas of study into a total learning experience.
- To provide the opportunity for each student to explore individual areas of interest and ability.
- To provide an overall positive experience.

ASSESSMENT SECURITY

The Hall County School System conducts the assessment program as required by federal and state law. The Hall County School System interacts with state and federal agencies relative to the assessment program and accountability mandates. The testing department handles assessment documents and reports including secure test materials, individual student score reports, and school/district data reports, primarily in electronic format. The Hall County School System delivers training/guidance related to the assessment program, assessment data, and accountability mandates to all stakeholders.

Both the district and school-based administrators have provided school personnel with the Code of Ethics for Educators. The Code of Ethics defines the professional behavior of educators in Georgia and serves as the guide to ethical conduct. Within this Code of

Ethics is Standard 10 which specifically addresses ethics in testing. Teachers in each building are required to sign off that they have read and understand the Code of Ethics.

EMERGENCY PROCEDURES

Drills: Fire, intruder and tornado drills are held on a regular basis during the school year. It is important that students remain silent and follow all instructions of school personnel during these drills. Each school has detailed, crisis management plans and an evacuation plan which are reviewed and updated each year. In the event of these plans being used, parents will be notified.

Severe Weather: Should severe weather necessitate closing or early dismissal of school; this information will be posted on the Hall County Schools website at www.hallco.org and district social media sites. This information will also be broadcast over WDUN Radio (550 AM) and other area radio stations. School closing announcements will be released to the media by approximately 6:00 a.m. Notification is also sent to all parent-approved telephone numbers and email addresses using Infinite Campus Messenger. School buses will not leave school during a tornado or severe weather WARNING. Buses will run regular routes when the warning is canceled.

School Procedures

The following descriptions of the practices and procedures of Lula Elementary School are meant to help you understand the daily operation of the school. By following these practices, a happy and safe learning environment can be provided for your child every day. Some of these descriptors are based on state law, others by policy of the Hall County Board of Education and the others from Lula Elementary School. We use an automated phone and e-mail service as a way to provide information to student's families. When you receive a message from the automated phone/e-mail service please listen carefully because often the message is time sensitive. Please provide us with a verification of your address, phone numbers, and e-mail addresses at the beginning of the school year.

I ask your support of these practices and encourage you to seek additional information if you disagree or have questions about why we do things a certain way. Often misunderstandings are cleared up with a direct conversation with the teacher or the administration.

Student Responsibilities

Students at all Hall County Elementary Schools are expected to be familiar with and follow the Hall County Board of Education Code of Conduct as well as the guidelines established at the local school level. Students will be asked to follow three basic rules:

Be responsible, be respectful and be resourceful. Students are asked to remember the following applications:

- In class: During periods of organized instruction, each student should act respectfully and responsibly so as not to distract themselves and others from the learning environment.
- In assembly: Each student should act respectfully and responsibly while moving to and from the assembly and while the performance is given.
- On the bus: Conduct on the bus is expected to be the same as that in the classroom. Safety depends on the skill of the driver and nothing should occur that would impede the driver's performance.
- In the lunchroom: Students are expected to act responsibly and respectfully while moving to and from the lunchroom and during lunch. Students should form orderly lines to get their food and to return trays and discard trash. The student dining area is to be maintained by the students as a civic responsibility.
- In the halls: Students should move from room to room respectfully and responsibly during the school day and under the direction of a teacher.
- In the Learning Commons: Students should utilize the facility with respect and should be responsible to follow established media policies while with their classes or while working on their own.

ITEMS NOT ALLOWED AT SCHOOL OR ON THE BUS

- Gum/candy
- Skateboards or roller blades
- Toys such as water guns, squirt toys, stuffed toys, (all toys) etc.
- Harmful objects or those that disrupt the educational environment
- Glass bottles or cans: ex. Soft drinks
- Obscene magazines, pictures, or literature
- Lighters, matches
- Personal items that advertise tobacco, drug, and alcohol related products
- Weapons or dangerous instruments
- Vaping device or mechanism
- Any drug or alcoholic beverage

Items may not be brought, traded, or sold at school unless sponsored and approved by the school administration.

School Hours

Teachers are on duty from 7:15am until 3:15pm. No student may be dropped off prior to 7:20am.

The instructional day begins at 7:50am. If you arrive after 7:50, you need to walk your student up to the front door of the

school to sign him/her in for the day. It is important for school to start on time because State Standards require a total of 270/300 minutes of instruction each school day. With a 2:25pm dismissal, this is a very tight schedule. Again, you will need to sign your student into the school after 7:50am.

Attendance

The Georgia compulsory attendance law is now provided under the “Mandatory Education for Children” act, which went into effect July 1, 2004. This law requires that children attend school or parents can be held responsible by the courts for failure to do so. Parents may face fines, imprisonment or both if found in violation of the law. The law also requires the school to contact parents at certain absence intervals to warn of impending danger of violation to this law. To do so, the school keeps a daily attendance record on each child and designates “excused” or “unexcused” absences from school.

Attendance Guidelines

ABSENCES (Excused & Unexcused)	1st INTERVENTION:	2nd INTERVENTION:	3rd INTERVENTION:	4th INTERVENTION:
	Teacher contacts parent/guardian between 1-5 absences and documents it under contact log in IC	Counselor or Admin contacts parent/guardian between 6-10 absences and documents it under contact log in IC. *10 day letter is sent and documented under PLP in IC by Guidance Clerk.	Counselor refers to SSW between 11-12 absences. SSW will address the concern accordingly.	SSW will contact parent/guardian at 15+ days to discuss medical notes or other forms of documentation to verify absences as excused. SSW may also send for truancy review.
UNEXCUSED ABSENCES	Teacher contacts parent/guardian between 1-5 absences and documents it under contact log in IC. *5 day letter is sent and documented under PLP in IC by Guidance Clerk.	Counselor or Admin contacts parent/guardian between 6-10 absences and documents it under contact log in IC. *10 day letter is sent and documented under PLP in IC by Guidance Clerk.	Counselor refers to SSW between 11-12 absences. SSW will contact parent/guardian for attendance support team meeting.	SSW will bring case for truancy review to determine if court is necessary at 15+ absences.

**Students under Compulsory Attendance age should not be withdrawn for lack of attendance prior to a referral to the SSW. **Once a student has been absence 10 days, additional documentation may be required to validate an absence as excused. ** Parent notes will be accepted for up to 10 absences and within 5 days of the student's return to school.

There is also a Sign-In and Sign-Out procedure to allow for correction of attendance data each day. Therefore, it is required for parents to sign in students after the 7:50 starting time, and sign out students any time you are checking them out before the end of the day dismissal. Students not signed in may be counted “absent” because the teacher’s attendance count is conducted as the first activity of the day.

When appointments are scheduled, try to arrange them early in the day or late in the day so partial attendance at school can be recorded. Students must be in attendance at least 1/2 of the school day (3 ½ hours) to be counted present for the day. If a student misses more than half of the school day, they will be counted absent but given credit for all work completed or made-up.

A written excuse, signed by the parents or a medical professional, **is required** for each absence from school. The nature of the absence will also determine whether an absence is excused or unexcused.

Failure by the parents to provide a written excuse will result in an absence being recorded as “unexcused”.

Excused absences include the following:

1. Illness of the child
2. Family Emergencies
3. Pre-arranged Doctor and Dental Appointments
4. Authorized School Activities
5. Special and Religious Holidays Observed by the Student’s Faith
6. Conditions that render school attendance impossible or hazardous to the child’s health.

Unexcused absences will be for any other reason, including failure to provide a written excuse by the parents.

In case of excused absences, work may be made up without penalty, within a reasonable time (usually three days unless there is a lengthy absence). In all cases, it is the student’s responsibility to make-up all work missed. The teacher will remind the student of these obligations but work not turned in after a reasonable time may result in a failing grade.

Students who are frequently absent from school will be reported to the School System Social Worker for investigation.

COMPULSORY EDUCATION NOTIFICATION TO PARENTS:

O.C.G.A. 20-2-690.1 – Compulsory Education

- (a) Every parent, guardian, or other person residing within this state having control or charge of any child or children between their sixth and sixteenth birthdays shall enroll and send such child or children to a public school, private school, or a home study

program that meets the requirements for a public school, private school or a home study program; and such child shall be responsible for enrolling in and attending a public school, private school, or a home study program under such penalty for noncompliance with this subsection as is provided in Chapter 11 of Title 15, unless the child's failure to enroll and attend is caused by the child's parent, guardian, or other person in which case the child's parent, guardian, or other person alone shall be responsible;

(b) Every parent, guardian, or other person residing within this state having control or charge of any child or children and who shall violate this code section shall be convicted of a misdemeanor, and upon conviction thereof shall be subject to:

- A fine not less than \$25 and not more than \$100
- Imprisonment not to exceed 30 days
- Community service
- Any combination of such penalties at the discretion of the court having jurisdiction.

Each day's absence from school in violation of this part after the child's school system notifies the parent, guardian, of other person who has control or charge of a child of five unexcused absences shall constitute a separate offense.

O.C.G.A 20-2-150 – Compulsory Education Law Pertaining to Kindergarten Students

All students enrolled for 20 school days or more in the public schools of this state shall become subject to all provisions of this article, the provisions of Code Section 20-2-690 through 20-2-702, and the rules and regulations of the State Board of Education relating to compulsory school attendance even though they have not reached seven years of age.

Tardy

A student who arrives at school past the 7:50 am tardy period (based on the school clock) will be marked in Infinite Campus. Cars that enter the parking lot after 7:50 **MUST park** and parents are required to walk their children to the office to sign-in. **A parent must walk their child to the front door and speak with the person at the front desk** so

that corrections can be made on the daily attendance report. Failure to do so may result in your child being counted as absent on that day.

Punctuality is important! Students start work at 7:50am so it is important for them to be in the room when instruction begins!

Accidents, Illness and Medications

A full-time school nurse is provided. This allows us to provide quality care for most situations that occur during the school day. However, the job we do depends on parents providing proper health information and instructions for the dispensing of medicine during the school day. For the safety of your child, please follow these requests:

- Medications should be in the original containers and brought to the school by the parent (**students should not transport medicines to prevent others from having access to it**).
- The parents must provide written descriptions as to the time and amounts of medication to be administered.
- Complete the Hall County School System Student Information Health Sheet with accurate and up-to-date information on each child.
- Be sure to provide phone numbers and alternate contacts for emergencies during the school day.
- Schools will dispense medications only as directed on the original labeled container. It is the responsibility of the parent/guardian to notify the school if changes in the medication, dosage, and/or time of administration are requested and a new original container must be provided.
- Long-term medications usually need to be refilled on a monthly basis. It is the responsibility of the parent/guardian to keep the school supplied with adequate amounts of medication.
- If your child takes a daily controlled medication, for safety and security reasons, please bring only a new prescription bottle dated for the current month containing a FULL supply for an entire month of school. Partially filled bottles will not be accepted. Your pharmacist will fill the prescription in this manner upon request. Once pills are received and counted at school they will not be redistributed back to the parent/guardian unless the student withdraws from school or at the end of the school year. If the prescription calls for a dosage of one- and one-half pills, please break the pills in half before bringing the bottle to school.
- Upon receipt at school, all controlled medications must be counted by the parent/guardian and the school nurse (or designee) with the amount received properly documented.

- Questions regarding medication administration at school should be directed to the school nurse, or the school principal, Health Services Coordinator at 770-534-1080, or the Director of Student Services at 770-967-5846.

Students in possession of medication on the school bus or on campus are subject to violations of state law. Please do not allow students to bring medicine to school. **Parents need to bring it to school.**

The school nurse will tend to children who are injured at school. Minor cuts, bruises and scratches will be taken care of and the child returned to class. Injuries that are more serious will result in the parent being called to come to school to pick up the child. In extreme emergencies, the Hall County Emergency Medical Services (EMS) will be called. This year the nurses in our clinic will be: Nurse Gail Watson (Part-time) and Mrs. Betsy Chandler (Part-time).

HOSPITAL / HOMEBOUND SERVICES

If a student suffers an injury or illness (non-communicable) that is projected to require an extended absence from school (at least ten consecutive days), he/she may be eligible for services from the hospital/homebound program. Parents/legal guardians should notify the counselor's office as soon as they think the student will qualify for the program. Parents/legal guardians will be given the Student Information Referral and Medical Referral/Certification forms to be completed and returned. Once parents have been notified of approval for Hospital/Homebound Services, a student will receive instruction at home virtually (or in person if recommended by the educational team) or at the hospital for the time specified and will be marked as "present" in school if the student receives a minimum of three (3) hours of instruction from a certified teacher per week.

After School Care

The Boys and Girls Club operates the childcare program for Lula Elementary School. Before a child can stay in the After-School program, the parent **MUST PROPERLY REGISTER** the child with the Boys and Girls Club. Registration or payments **CANNOT** be made to the school office. Please register and address any concerns or questions to the Boys and Girls Club at **770 532-8102**.

Communication with Parents

Each teacher has telephone access in the classroom. However, to prevent interruption of class instruction, calls will automatically go to a "voice mail" system. Each staff member (teacher, paraprofessional and clerical) has a Hall County School System

email account. To contact a person in this manner, use the person's name and Hall County network in your email (for example: lynette.scherman@hallco.org will connect you to the Principal's email).

Teachers will also utilize a weekly folder to communicate with parents about school wide activities. The weekly folders will be sent **each Tuesday**. Please check folders and respond to teacher requests or make a request of your own.

Lula Elementary School uses an **EMERGENCY CONTACT SYSTEM** that will automatically call the telephone number provided by the parent. This automated system will be used collectively for school announcements of meetings, deadlines to all parents whether an emergency or just to provide information. **Be sure to provide a reliable number for our system.**

Discipline

Each parent may find a copy of the Hall County Code of Conduct and Discipline Procedures at www.hallco.org. This explains in detail the expectations for behavior and the consequences for violating these expectations.

The basic principles of discipline are to provide a safe and happy environment for all students. If your child shares with you some information that would be useful in correcting or strengthening our school, it should be shared with the Principal or Assistant Principal.

Students will be asked to be respectful of staff members, other students, and themselves. They are under the direction and authority of any adult staff member of Lula Elementary School at any time they are on campus, while being transported to or from school by a Hall County school bus, or when off campus on supervised educational trips (field trips) supervised by a school staff member. Adult chaperones on field trips should be respected and their directions followed.

A teacher, the principal, assistant principal or the Superintendent of Hall County Schools may impose punishments. Parents will receive written notice of violations and punishments using school forms or teacher notices sent home with the student. In most cases, you will be asked to provide your signature and return a copy to school. This is to ensure that you received the notice as the school intended and provided documentation for future referral.

Continuous disruptive behavior will not be allowed. Disruptive students will be dealt with on an individual basis. Consequences may include:

- Warning
- Parent conference
- Time-out within class, in another class, or in the

- office
- Parent contact to remove student from school
- Out-of-school suspension
- Expulsion from school

Dismissal from School

Early Check-Out of Students

Any student being checked out of school early must be signed out before 1:45pm. Students will not be dismissed from the classroom between 1:45pm and the 2:15 dismissal time, except for emergencies. If a child is signed out prior to 11:15am, they will be counted absent for the school day. For the safety of all children, teachers are directed not to release children directly from the classroom. Students must be signed out from the school office so an accurate record of their attendance can be kept.

Transportation

Bus Riders

All students are expected to abide by the bus safety rules posted on each bus. Violations of these rules will result in students being referred to the principal or assistant principal. Referrals to the office will result in consequences outlined by the Hall County Transportation Department.

School Bus Guide

A public-school transportation program has but one purpose - to safely transport the students. Therefore, it is extremely important that each student be aware of his/her role and responsibility in seeing that the entire operation works smoothly and efficiently. Several areas in which students are asked to cooperate are:

SAFE RIDING - 10 SAFETY RULES

1. Arrive at bus stop 10 minutes before scheduled pick-up time.
2. Dress for the weather - umbrella and raincoat for rain; coat and gloves when cold.
3. Never stand or play in the road. Wait for the bus at least 15 feet from the road in a safe location.
4. Always use the handrail when boarding or leaving the bus. Do not wear clothing or carry bags that have strings or straps that could get caught in the handrail.

5. Remain seated when the bus is moving. Students' seats are designed to protect students in the event of an accident.
6. Never try to reach anything under or beside the bus. If students drop something while crossing in front of the bus, do not return to pick it up. The bus driver cannot see students. After crossing safely, ask the driver for help.
7. Observe silence when approaching and while stopped for railroad crossings so the driver can hear if a train is coming.
8. Look carefully before crossing the road. Do not assume that a car will stop for students - wait to be sure it is stopped before crossing. Watch for driver's signal before crossing the road.
9. Always cross in front of the bus - never behind it!
10. Talk quietly. Do not "horseplay". The driver must give full attention to driving to ensure students' safety.

BUS STOP CONDUCT

- Students and parents are responsible for students' conduct at the bus stop, from home to the bus stop, and from the bus stop to students' home.
- If students must cross a street or road to get to the bus stop on the opposite side, wait until the bus arrives and cross in front of the bus only after the stop sign on the bus is activated and only when signaled by the bus driver.
- Be at the bus stop 10 minutes early, but not too early. The bus driver is responsible for the maintenance of his schedule and cannot wait for tardy pupils. Each student should have books in hand and be ready to board the bus by the time the driver opens the door.
- Any student who leaves the school grounds while waiting for a bus to arrive will not be allowed to ride a bus home after returning to the school grounds. Individuals who leave the school grounds will be reported to the principal.

ENTERING AND LEAVING THE BUS

- A. Wait until the bus has come to a complete stop before attempting to board or leave the bus.
- B. Load starting at the rear of the bus, sitting three to a seat, unless otherwise directed by the driver.
- C. Enter and leave the bus in an orderly and quiet manner.
- D. Enter and leave the bus only at the front door, except in case of an emergency.
- E. After leaving the bus, if students must cross the highway, walk at least twelve feet in front of the bus, then:
 - Make certain the bus is stationary, the door is still open and the stop signal is extended.
 - Upon signal from the driver, proceed across the roadway in the following manner: Walk (don't run) in front of the bus within sight and hearing of the driver, look both ways and stay out of the line of traffic until the path across the roadway is free of any danger.

- The danger signal is a blast of the horn. Stop immediately and look at the bus driver.
 - If you drop something after exiting the bus, do not return to retrieve it. The bus driver might not see you.
- F. A student will not be put off a bus for misconduct at any place other than his home or school.

CONDUCT ON THE BUS

- A. Obey the bus driver.
- B. Do not disturb the bus driver while he/she is driving.
- C. Boys and girls will be seated separately.
- D. Stay in seat and do not change seats unless so directed by the driver - and then only if the bus is stopped.
- E. Sit down while the bus is in motion.
- F. Keep voices low. Avoid shouting or whistling.
- G. No bullying, "rough housing", pushing, fighting, throwing things, or profane or abusive language.
- H. Do not open or close windows of the bus without the driver's permission.
- I. Keep all body parts inside the bus.
- J. Keep the bus clean, sanitary, and orderly. Never tamper with the bus or any of its equipment. Willful damage or destruction of any part of the bus is prohibited and any such damage must be paid for by the student or parent.
- K. A student shall not operate the door nor stand in the driver's compartment.

BOARD BUS DISCIPLINE POLICY

The transportation of students is an important function in our school system. Every precaution must be taken to see that students are transported safely. The same behavior is expected on the school bus as is expected in the classroom. The Code of Conduct and Discipline Procedures that apply for the school, also apply while students are being transported by any vehicle provided for the transportation of students. In addition, it is important that students abide by the bus discipline policies as outlined herein.

Fighting on the bus and abusive language or profanity toward the bus driver will result in a minimum of five days suspension from the bus. A student whose behavior warrants that the bus return to the school will be suspended from riding the bus for a minimum of twenty (20) days.

Bus Drivers will report specific disciplinary problems to the principal or assistant principal in writing on the Bus Conduct Report Form. If the driver is uncertain about who was unruly or who caused the disturbance, the driver will report the incident to the principal for investigation. After the principal administers the proper disciplinary action, a copy of the Bus Conduct Report Form will be forwarded to the parent, the bus driver, and the Transportation Supervisor that day or the following school day. This form will indicate the action taken by the principal. The principal will maintain a file of the Bus Conduct Report Form.

It shall be the responsibility of all administrators to abide by the following procedure for enforcing the bus conduct policy:

First Referral	Warning
Second Referral	3-5 days off the bus
Third Referral	5-10 days off the bus
Fourth Referral	20 days off the bus
Fifth Referral	60 days off the bus
Sixth Referral	180 days off the bus

Fighting or other major disruptive behavior may result in immediate bus suspension.

Car Riders

Car Riders and walkers are dismissed starting at 2:25. We begin loading buses at 2:20 and they typically leave the campus by 2:30. Due to limited parking, we prefer that parents remain in the car as part of the pick-up line and your child will be brought to you as the line moves forward in a one-way fashion. Please do not cut between parked cars in the parking lot. **Please follow the flow of traffic through the parking lot, doing U-Turns in the parking lot is unsafe and will be reported to law enforcement.**

Each family who chooses to drive their children to and from school will be issued a car tag to help speed up the afternoon dismissal. The office will assign each family a number and this number will be written on the car tag. Place the car tag in the front windshield of the vehicle being driven to pick up the student(s). If you use different vehicles or have other people picking up children, please ask for additional car tags in the office. **If a car does not have a car tag with the student number, the driver will be required to pull over and show proof that they are to pick up that child and then go to the office and sign the student out.** By using car tags and student numbers, we help ensure that students are safe. **Please remember that we are doing this to protect children not to inconvenience anyone.**

All students will be dropped off at the gym in the morning (7:20am) if they plan on eating breakfast. If they are not eating breakfast they will be dropped off at the entry doors of their grade level. Faculty will be there to assist in the morning during car line.

Students not picked up by 2:45pm will be taken back inside the building and picked up from the office. **Teachers and staff members have after-school meetings and workshops that begin at 2:45 so they will not be able to extend supervision beyond that time. Please be prompt in picking up your child.**

Messages to Students

Please establish a routine with your child and stick to that routine as much as possible. If it is necessary to change the manner in which a child is going home (bus, car rider, walker, etc.) this needs to be communicated with the classroom teacher via **SCHOOL VOICE**

MAIL before 1:45pm or the front office. Teachers check voice mail messages between 1:45pm and 2:00pm. If you need to make any changes to afternoon transportation after 1:45pm, you must get approval from the principal or assistant principal.

Dismissal Directly from the Classroom

Parents are not permitted to go directly to a classroom during the instructional day without permission from the school office. Again, this is for the safety of all children.

Restricted Access

Students will not be released to anyone other than the parent without specific permission from the parent. If there are custody problems, please meet with Mrs. Scheman, Ms. Engle or Dr. Burce.

The legal obligations of the school are determined by court orders or judicial mandates. As much as we would like to follow verbal directions from parents, this may not always be possible. By providing written documentation of custody, visitation, etc. the school will be in a better position to grant your requests. **The Enrolling parent is the only one that has rights to make changes in who picks up students.**

Dress Code

Student dress must be conducive to creating and maintaining a school climate that encourages learning and good behavior. Students should observe the rules governing cleanliness, neatness, good grooming, and good taste. Parents should assist students in dressing appropriately for the weather conditions.

Shirts and Tops

Shirts (includes jerseys, sweaters, jackets, etc.) which advertise alcoholic beverages, tobacco products, vulgar/sexual expressions, illegal substances, have excessive tears in the fabric or messages of a violent nature, clothing that is suggestive in nature, such as bare mid-riffs, tank tops, spaghetti straps, low cuts,

back-less dresses, or clothing made from see-through materials are **not acceptable**.

Shorts and pants

Shorts of reasonable length are permitted. In the primary grades (K-2), consideration should be given to the active participation of the student. Tight shorts, or short-shorts, or that have excessive tears in the fabric are not permitted. For students in grades 4 and 5, consideration should be given to modesty and the possibility of other students directing inappropriate comments toward them because of shorts that are too revealing. **ALL shorts must be mid-thigh in length or longer.** Biker shorts (spandex), skin tight shorts, athletic shorts (short running shorts), boxer shorts, or short cutoffs are not allowed. Pants that are tight/form fitting or that have excessive tears in the fabric are not permitted.

Hats or Caps

Hats, caps will not be worn inside the building, with the exception of “hat days” announced by the administration.

Shoes

All shoes should be firmly strapped, tied or fit to remain on the feet while active. **Flip-flops, sandals without back straps, or other shoes that will not stay securely on the feet while running in PE class, recess, etc. will not be acceptable.**

Students found to be in violation of the Dress Code may be refused admission to class until suitable clothing can be provided. Improper shoes will result in students being held out of PE class and Recess for safety reasons.

Food Services

Meal prices are as follows:

Breakfast Meal Prices	SY25
Elementary	
<i>Paid</i>	\$ 1.10
<i>Free</i>	\$ -
<i>Reduced</i>	\$ 0.30
Middle/High	
<i>Paid</i>	\$ 1.35
<i>Free</i>	\$ -
<i>Reduced</i>	\$ 0.30
<i>System Employee</i>	\$ 3.00
<i>Visitor</i>	\$ 3.75

Lunch Meal Prices	SY25
Elementary	
<i>Paid</i>	\$ 1.95
<i>Free</i>	\$ -
<i>Reduced</i>	\$ 0.40
Middle/High	
<i>Paid</i>	\$ 2.05
<i>Free</i>	\$ -
<i>Reduced</i>	\$ 0.40
<i>System Employee</i>	\$ 4.50
<i>Visitor</i>	\$ 5.00

A nutritious breakfast and lunch are prepared and served each school day. Breakfast is Grab and Go as the child enters the building and will be taken to their classroom for consumption, starting at 7:20 am, to start the school day.

Visitors are allowed to eat lunch with their students this school year. A lunch schedule will be provided to allow each class sufficient time to complete lunch. Check with your child's teacher for the proper times. If you are coming to eat lunch with your child here **are the non-negotiables** for your visit:

- You will eat at the picnic tables outside (Weather permitting), or at the designated tables outside of the cafeteria.
- If you need a lunch, an adult meal must be paid with **cash only**.
- You may **only eat with your child**. Friends of your child may not accompany the visiting adult for lunch.
- Only two visitors are allowed to eat with students.
- Students may choose to bring a lunch from home. They may get a milk to go with their lunch or include a thermos or cardboard container of juice drink. **Drinks in glass bottles and canned sodas are not allowed at school.**
- If you are bringing an outside lunch to eat, it cannot be a restaurant/fast food meal. No outside restaurant/fast food is allowed.
- Photographing or videotaping a student is prohibited.

****If your child has special diet considerations, the lunchroom will comply with those needs provided a statement from the child's doctor states these restrictions.*

Grading System

Report Cards will be sent home at 9-week intervals.

Report Card Dates

October 11, 2024

January 9, 2025

March 24, 2025

May 23, 2024

Students who are medically unable to participate in Physical Education will not be penalized provided a written excuse from the doctor or suitable explanation from the parent is given. If a student is not permitted to participate in PE, it is expected that he/she will be unable to participate in outdoor recess activities.

Kindergarten students will receive a GKIDS report card. First and second grade achievement will be recorded on a standards-based report card. For third, fourth, and fifth grades, the grading system shall be as follows:

- A - Excellent (90 - 100)
- B - Good (80 - 89)
- C - Average (70 - 79)
- U - Unsatisfactory (0 - 69)

Homework

 Teachers may give homework, in grades K through 5. We encourage parents to set aside time each day for homework or reading for enjoyment, if there are no school assignments. If possible, you should set up a place in your home for this to take place. It should be away from distractions such as television or younger siblings play areas. An ideal place would be the kitchen table where parents can provide encouragement and help when needed.

Homework should take only 20 to 60 minutes, depending on the grade level. If your child is taking longer, it may be because he/she did not finish assigned class work and is being given the opportunity to complete it at home. If your child is spending more than 60 minutes a day on homework, a conference with the teacher should be held to discuss ways to help your child finish class assignments in the allotted time.

Students will not be allowed to accept a grade of “0” and not perform the assigned work. Any work assigned by the teacher will be completed, even if a failing grade is given for not meeting the required deadline. If a student does not cooperate with the teacher, a Conduct Referral will be made and the student assigned to detention (time out), to complete the missing work.

Ice Cream Sales

 Ice Cream is available at the teacher’s discretion as a cash purchase during non-instructional times. State Standards do not permit the sale of ice cream until after lunch to ensure proper nutrition of students. Only one ice cream per student is allowed for purchase. Ice cream will cost \$1.00 for students. Ice Cream will be sold only on Mondays.

Instruction

The Georgia Board of Education states that all students in the Georgia public schools must meet “minimum” instructional requirements each school day. Those requirements are:

- Kindergarten through 3rd grade – 270 minutes per day
- Grades 4 and 5 – 300 minutes per day

To make sure our school meets these standards, teachers' schedules provide for uninterrupted blocks of time. It is important for students to be on time and remain at school for the full instructional day.

Therefore, *School will begin promptly at 7:50am each day and will not dismiss prior to 2:20pm for all classes.*

INSTRUCTIONAL MATERIALS

Below are the curriculum materials used to teach the Georgia Standards of Excellence. Please contact your child's teacher or administration if you have any questions.

- Benchmark Workshop (5 Pillars of Literacy; all ELA standards)
- Eureka Math2
- Wilson Phonics (Special Education Classes)
- A variety of online resources via Launch point
- The HCSD will continue providing an alternative reading assignment at the request of the parent/guardian.

GIFTED EDUCATION

The Hall County School System is committed to the belief that every student (K-12) has a right to receive an education based on individual needs. The gifted student is entitled to a differentiated curriculum consisting of courses of study in which the content, teaching strategies, and the expectations of student mastery are appropriately modified.

Referrals of students for consideration for the gifted program may be made by classroom teachers, special area teachers, counselors, administrators, parents or guardians, student peers or by the student himself/herself. A student will automatically be referred for consideration if he/she scores at or above the 90th percentile in Total Math on a nationally normed achievement test if the score is within two calendar years. The identification process includes evaluation in ability, achievement, creativity, and motivation. Call the school office for additional information.

MULTI-TIERED SYSTEM of SUPPORTS (MTSS)

If any student has an ongoing problem with learning or being successful in general, our teachers can serve as a formal support team that will help clarify the problems and then will consider adjusting instruction if you experience difficulty. Parents are invited to the MTSS team meetings and they will be informed of the outcome. The team is there to help you gain as much as possible from your educational experience.

ACCEPTABLE USER AGREEMENT

The Hall County Board of Education (HCBOE) recognizes that electronic media, including the Internet, provides access to a wide variety of instructional resources. Use of electronic resources must be in support of, and consistent with the vision, mission and goals established by the HCBOE and for the purpose of instructional support. All users of the district wide area network and/or other electronic informational services must maintain strict compliance with all applicable ethical and legal rules and regulations regarding access. The purpose of these guidelines is to

ensure that all Hall County Schools (HCS) technology users share the HCS technology resources in an effective, efficient, ethical and lawful manner. HCS technology should be used for legitimate educational reasons only, and not for personal use. All users of HCS technology resources and facilities must agree to and sign the terms of this [acceptable use agreement](#). The student acceptable use agreement (AUA) for all students K-12 is now on the Elementary Student Release page on the Parent Portal. **Every parent will need to annually digitally acknowledge the AUA on the Release/Agenda pages on Parent Portal.**

PARENT PORTAL

The Infinite Campus Parent Portal is a confidential and secure website where parents can access current information about their child’s attendance and grades. Parents may access the Parent Portal by going to the following website:

<https://campus.hallco.org/campus/portal/hall.jsp> or click on the link for “Parent Portal” at www.hallco.org. Parents only need to activate one account for all children in the household. It is not necessary to set up a new account at the beginning of each year or when a child changes schools within Hall County. Problems with an account should be directed to the front office.

Insurance

Student insurance is made available to parents as an optional purchase. The application form for this is available on the Hall County website. Be aware, the school does not carry insurance on students so injuries that occur on the playground, as part of the instructional program (PE, etc.), or on the school bus are not covered by the school. The school cannot be held financially responsible for the costs of medical attention given to children who may have been hurt at school.

Lost and Found

The school operates a lost and found service. Please mark your child’s coats, gloves, sweaters, lunch boxes, etc. so they can be returned to the rightful owner if misplaced. Students are encouraged to check lost and found so they may recover lost personal items. Unclaimed articles are given to local charities after a reasonable time.

Learning Commons Parent Handbook Supplement

- The Learning Commons Handbook appears as an appendix to this manual.

Media Coverage

Lula Elementary School uses several different forms of media to promote the positive accomplishments of our students and our school. This includes local newspapers and social media platforms. If a parent does not wish for his or her child to be photographed, quoted, or named in a news

story, it will be necessary to indicate this on the back of the STUDENT LOCATOR CARD. In addition, please make sure your child's teacher knows of your wishes. Every effort will be made to honor your request.

Parent Conferences

Parents are encouraged to establish a communication network to the classroom teacher. A parent may request a conference to be scheduled by phoning the school office or by sending a written note directly to the teacher. Instructional time cannot be used for conferences so it is important to make these arrangements ahead of time. Teachers will not be called out of class to meet with parents unless there are unusual circumstances. Class parties, exhibitions, PTO meetings are all occasions where teachers are supervising students and cannot have a conference at this time.

Teachers may also be contacted through the school email system. To contact your child's teacher, use the teacher's name plus the hallco.org suffix to access individual teacher mail or visit the school web site teacher's page where access can be made. *(Example: lynette.scherman@hallco.org will access the Principal's email.) Conferences with the Principal may be arranged in a similar manner. However, the Principal is willing to talk with any parent who comes by, provided other meetings or commitments do not prevent this.

Parties / Snacks

Two class parties per year, (Christmas/Holiday and End of the Year) are permitted for each grade. Individual celebrations such as birthday parties will not be allowed. However, if parents wish to bring treats for their child's class in recognition of a birthday, arrangements with the teacher must be made in advance so the teacher can stay within the state and local regulations. It is **highly suggested** that you **Please** do not send cupcakes or outside food for your child's class. Daily instructional time is scheduled for maximum teaching and learning. Frequent interruptions become a hindrance to the learning process and prevent our children from doing their best.

Snacks may be an integral part of the younger children's school day. Nutritious snacks such as fruit, cheese, non-sweetened crackers, etc. are encouraged over cakes and candies. Fruit juices or juice drinks are encouraged. Canned or bottled sodas are not allowed.

Students are allowed to bring water bottles to class, provided they are filled with water only. This is in support of the research on Brain Based Learning, which

views hydration as a positive factor in student learning. We have water bottle fillers in the school so a student may refill their water bottle throughout the school day.

Recess

While State Standards require a full instructional day, a daily “recess” time is scheduled for each class to allow students the opportunity to get fresh air and sunshine. Outside recess will not be held if the temperature is below 40 degrees, above 95 degrees or if the weather is not suitable for outside activity. An “inside recess” may be scheduled at the teacher’s discretion.

****It is the goal of the Hall County School System that students have a scheduled recess time each day. Recess can be withheld from students for disciplinary and or academic reasons.**

Recreation

Our school cooperates with the Hall County Parks and Recreation Department in providing organized recreational opportunities for children. The school’s only involvement is to allow the use of our facilities (gym, athletic fields, etc.).

The school is not a part of the governing of these activities. We do not participate in the selection or supervision of coaches, teams, or fans, nor does the registration fee or other associated costs go to the school. Your participation is voluntary and any concerns should be addressed to the proper organization’s board of directors.

School Closings for Extreme Weather

During bad weather, the decision to close school will be made by the Superintendent of Hall County Schools. That decision will be announced on local radio, television stations and the Infinite Campus messenger as early as 6:00am.

Should we have to close school early after students have arrived for the day, busses will be called to the school and students sent home according to information provided by the parents. Parents will be given these three choices:

- Ride the bus to the same location as a regular school day,
- Hold the child at school until picked up, or
- Have the child go home with someone you designate.

Lula Elementary School has an EMERGENCY CONTACT SYSTEM that will automatically call the telephone number provided by the parent. Please make sure that if your phone number(s) and or address changes please inform the school.

School Clubs

Georgia law 20-2-705 requires public schools to notify parents of the existence of student clubs and to provide parents a description of any club and give them the opportunity to refuse participation of their children. The law goes so far as to define student clubs as “any non-academic gathering”, regardless of whether it is sponsored by a school employee.

The **running club** meets after school to promote fitness and is open to all 4th and 5th grade students. Dates and times TBD.

Art Club: Art club will be offered to 4th and 5th grade students once a month. More details will be given to students through their homeroom teachers.

Chorus: Chorus will be offered each Wednesday beginning after Labor Day. More information will be coming from homeroom teachers.

School Supplies and personal electronics

Students are responsible for providing their own supplies. A grade level supply list is available in the school office, from the classroom teacher, or on the school web site.

Paper and other supplies should be purchased from community sources and brought to school by the student. No toys or electronic devices, are allowed at school unless the teacher notifies parents of these special events. No swapping, selling, or trading items of any kind are allowed at school. Any item brought for this purpose will be kept by the office.

Understanding that students may need their cell phones at home for safety reasons; students are allowed to bring mobile phones to school, however they are **prohibited from calling, e-mailing, texting, receiving calls or e-mails or texts on their phone during the school day. Mobile phones must remain in a child’s book bag for the entire school day. If they do not need them, they should not bring them to school.** This also applies to personal computers and tablets. The school does not accept liability for any of these devices.

Parent Volunteers

Parent Volunteers are encouraged! We require that each volunteer attend a brief training with Ms. Engle, before they begin working in the school building. Please speak to Ms. Engle, the school counselor for more

information on volunteering at school.

Water Safety (HB 402)

Governor Brian Kemp recently signed into law the Edna Mae McGovern Act (HB 402), which requires schools at the beginning of each school year to provide parents and guardians with information regarding swimming lessons in the local community. The Hall County School District recognizes the importance of water safety and wants to support parents in their efforts to keep their children safe. If you are interested in your child learning to swim, the following locations provide lessons:

The Georgia Mountains YMCA
2455 YMCA Drive
Gainesville, GA 30501
(P) 770.297.9622

Frances Meadow Aquatic Center
1545 Community Way NE
Gainesville, GA 30501
(P) 770.533.5850.

Please note: Students who miss school to attend swimming lessons will not receive an excused absence.

Internet Use

Due to the nature of the Internet, it is neither practical nor possible for the Board of Education to enforce compliance with user rules at all times. Accordingly, parents and students must recognize that students will be required to make independent decisions and use good judgment in their use of the Internet. Therefore, parents must participate in the decision about whether to allow their children access to the Internet and must communicate their own expectations to their children regarding its use. Parents will be asked to agree to the terms below.

As a parent/guardian of this student, I accept the following conditions:

I understand that the Internet access is designed for educational purposes and that the school will attempt to discourage access to objectionable material and communications that are intended to exploit, harass, or abuse students. However, I recognize it is impossible for the school to restrict access to all objectionable material, and I will not hold the school responsible for materials acquired or contacts made on the network.

I understand that a variety of inappropriate and offensive materials are available over the Internet and that it may be possible for my child to access these materials if he/she chooses to behave irresponsibly. I also understand that it is possible for undesirable

or ill-intended individuals to communicate with my child over the Internet, that there is no practical means for the school to prevent this from happening, and that my child must take responsibility to avoid such communications if they are initiated. While I authorize the staff to monitor any communications to or from my child on the Internet, I recognize that it is not possible for the school to monitor all such communications. I have determined that the benefits of my child having access to the Internet outweigh potential risks.

I understand that any conduct that is in conflict with these responsibilities is inappropriate, and such behavior may result in the termination of access and possible disciplinary action.

I have reviewed these responsibilities with my child, and I hereby grant permission to the school to provide Internet network access.

I agree to compensate the school for any expenses or costs it incurs as a result of my child's violation of the Internet policy or administrative procedure.

While the internet is an amazing resource of information, it is of utmost important that we help children understand the risks involved with sharing information online. We would like to enlist your help in enforcing age restrictions on social media sites such as Instagram, Facebook, and Twitter. Parents should strictly enforce the age restrictions on social media for four reasons:

1. A child under the age of 13 years old is protected by the Children's Online Privacy Protect Act (COPPA). This act protects a child's personal information from being collected and shared. Creating an account for a child under the age of 13 using a false date of birth circumvents Federal Law intended to protect your child.
2. Children typically know that they must be age 13 to have a social media account. If you, as a parent, falsify your child's age to create an account, you are actively providing an example that it is OK to lie on the internet and that the rules do not apply to them. Teaching appropriate boundaries and limitations on the internet are of paramount importance.
3. Pre-teens do not have the maturity to handle many social media themes. They are just beginning to navigate the challenges in real-life social interactions and they do not have the experience or reasoning needed to correctly respond to online social exchange. Allowing you child on social sites prematurely puts them at risk for becoming victims of online harassment, solicitation and cyberbullying.
4. For children under the age of 13, there are safer alternatives. Learning how to navigate and interact on social media sites is an important skill set. Kids need to learn responsible internet citizenship. Common Sense Media provides a [list](#) of some popular pre-teen sites.

Being connected to technology is becoming a large part of our lives. Since children are naturally drawn to social media, it is important to teach them to become responsible users. As their use of the internet grows, so does the ever-increasing level of danger. As children continue to develop social and intellectually, the need for home and school to partner together to increase awareness and responsibility becomes increasingly important.

Asbestos Management Plan Notification

ASBESTOS MANAGEMENT PLAN NOTIFICATION

The Hall County School System AHERA Management Plan is available for public inspection upon request at the Hall County Board of Education Department of Facilities. This notification is provided to fulfill the requirement of section 763.93(4) of the Asbestos Hazard Emergency Response Act, 40 CFR Part 763, October 30, 1987. All interested parents, teachers, employees or other persons are invited to review the plan, which includes the following items:

1. Location, amounts and types of asbestos containing materials.
2. Response actions to the asbestos containing materials.
3. Plans for re-inspection, and periodic surveillance.
4. Public notification procedures.

Anyone interested in reviewing the plan please call the Department of Facilities at (770) 534-1291. Ask for Pam Cravero

Family Educational Rights and Privacy Act (FERPA)

NOTICE TO PARENT/GUARDIANS AND ELEGIBLE STUDENTS OF RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA):

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's educational records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the Hall County School System receives a request for access.

Schools are not required to provide copies of materials in education records unless, for reasons such as great distance, it is impossible for parents or eligible students to inspect the records. Schools may charge a fee for copies. Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The Principal will arrange for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading.

Parents or eligible students may ask the Hall County School System to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading, or otherwise in violation of the student's privacy or other rights.

If the School System decides not to amend the record as requested by the parent or eligible student, the System will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record commenting on the contested information in the record.

3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.

Generally, schools must have written permission from the parent or eligible student before releasing information from a student's record. However, FERPA allows schools to disclose records, without consent, to the following parties:

- School employees who have a need to know;
- Other schools which a student is transferring;
- Certain government officials in order to carry out lawful functions;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for the school;
- Accrediting organizations;
- Individuals who have obtained court orders or subpoenas;
- Persons who need to know in case of health and safety emergencies; and State and local authorities, within a juvenile justice system, pursuant to Georgia law.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed of the Hall County School System as an administrator, supervisor, instructor, or other support staff member (including health or medical staff and law enforcement personnel); a person serving on the School Board; a person or company with whom the System has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, or such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the System discloses, and forwards if necessary, education records without consent to officials of another school district in which a student seeks or intends to enroll.

4. The right to disclose, without consent, "directory" type information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance.

Parents or eligible students may request, in writing, that the Hall County School System not disclose directory information about them. They should make this request annually by September 30th.

5. The right to file with the U.S. Department of Education a complaint under 20 C.F.R. 99.64 concerning alleged failures by the Hall County School System to complete requirements of the Family Educational Rights and Privacy Act I or the regulations promulgated there under.

The Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-4605

Student Records

Under the Family and Educational Rights and Privacy Act of 1974 (FERPA), parents have the following rights regarding records:

- The right to inspect and review the educational records of their child
- The right to challenge the content of those records
- The right to control the release of the educational records of their child
- The right to complain to the Family Educational Rights and Privacy Office about the school's failure to comply with the law
- The right to be informed of the rights just listed
- To request the opportunity to inspect and review records, contact the front office.

Notice of Parental Rights to Request Teacher/Paraprofessional Qualifications

In compliance with the requirements of Every Student Succeeds Act, parents may request the following information:

1. Whether the student's teacher—

- has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and,
- is teaching in the field of discipline of the certification of the teacher.

2. Whether the child is provided services by paraprofessionals and, if so, their qualifications. If a parent wishes to request information concerning their child's teacher or paraprofessional's qualifications, please contact the school principal.

Protection of Pupil Rights Amendment (PPRA)

PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA):

(1) Parents and eligible students (18 or older or emancipated minors) shall be notified at the beginning of the school year of the approximate dates during the school year when any of the activities listed below are expected to be scheduled. The Board of Education has developed and adopted policies, in conjunction with parents, regarding the activities described in paragraph 1. In accordance with Board policies, prior written consent must be obtained from parents before students are required to submit to any survey that contains questions about one or more of the areas listed in subparagraph (1)(A) and that is funded in whole or in part by the U.S. Department of Education. You have the right to inspect any survey or instrument used in the collection of information under subparagraphs (1)(A) and (1)(B) before the instrument is administered or distributed to a student and to opt out your child out of participation in any activities described in paragraph (1) in accordance with regulations developed by the Superintendent.

(A) The administration of any survey containing one or more of the following items:

- (i.) Political affiliations or beliefs of the student or the student's parent;
- (ii.) Mental or psychological problems of the student or the student's family;
- (iii.) Sex behavior or attitudes;
- (iv.) Illegal, anti-social, self-incriminating, or demeaning behavior;
- (v.) Critical appraisals of other individuals with whom respondents have close family relationships;
- (vi.) Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
- (vii.) Religious practices, affiliations, or beliefs of the student or student's parent; or

(viii.) Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program), without prior written consent of the parent or eligible student.

(B) Activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information (or otherwise providing that information to others for that purpose).

(C) Any no emergency, invasive physical examination or screening that is required as a condition of attendance, administered by the school and scheduled by the school in advance, and not necessary to protect the immediate health and safety of the student, or of other students.

- (2) You may, upon request, inspect any instructional material used as part of the educational curriculum for your student.
- (3) The school is required by federal law to give this notice to parents. However, the school does not have scheduled any marketing activities or physical exams such as those described in paragraphs 1(B) and (C). If any such activities are initiated during the school year, you will be notified accordingly and will be afforded all rights as described herein.
- (4) Parents/ eligible students who believe their rights have been violated may file a complaint with: Family Policy Compliance Office, U.S. Department of Education, and 400 Maryland Ave. SW, Washington, D.C. 20202-4605.

Complaints of Discrimination / Harassment

The Hall County School System does not discriminate on the basis of race, color, religion, national origin, age, disability or gender in employment decisions or educational programs and activities. Any student, employee, applicant for employment, parent or other individual who believes he or she has been subjected to harassment or discrimination by other students or employees of the school district based upon any of the factors listed above should promptly report the same to the principal of the school or the appropriate coordinator as listed below, who will implement the board's discriminatory complaints or harassment procedures. Students may also report harassment or discrimination to their school counselor.

The Title IV Coordinator is Brittney Bennett,
Hall County School System, 711 Green St., Suite 100 Gainesville, GA 30501
(770) 534-1080

The Section 504 and Americans with Disabilities Act Coordinator is Dr. Betsy Ainsworth, Hall County School System, 711 Green St., Suite 100 Gainesville, GA 30501 (770) 534-1080

Students and employees will not be subjected to retaliation for reporting such harassment or discrimination. A copy of the discriminatory complaints procedure under Hall County

School District Policy GAAA/JAA (Equal Opportunity/ Discriminatory Complaints) is located in the school district policy manual which is available at the Hall County central office and is also located online at www.hallco.org.

Learning Commons Parent Handbook **Supplement**

MOTTO

Teaching students how to find answers for a need provides
a lifelong learning experience!

Students must learn how to collaborate, communicate and
solve problems through social and emotional learning.
(WEF 2016)

Vital Information

Hours of Operation:

The learning commons is open from 7:30am until 2:30pm Monday through Friday during the school year.

Personnel:

Ms. Hobbs is a full-time certified media specialist. In addition, the Learning Commons is staffed by one full-time media clerk, Mrs. Norah Seymour. Volunteers are welcome. After being trained, volunteers work whenever they can and they are to schedule a time with our media specialist.

Morning Show: 5th grade students will be selected based on teacher recommendation for BNN.

Classroom Reading Materials: The HCSD will continue its practice of providing an alternative reading assignment at parent/guardian request.

The Collection:

The Learning Commons houses all books and materials for staff and student use that support the mission of the school and the library media center. The collection is divided into the following sections: Fiction, Easy, Nonfiction, Reference, Magazine, Professional, Kits, and Videos.

Classroom Reading Materials: The HCSD will continue its practice of providing an alternative reading assignment at parent/guardian request.

Hardware:

The library media center has Dell computers. Hall County Schools purchased these computers. Computers are used for research, online catalog, check-in, check-out, and to further technology integration.

Regular book fairs are held twice a year. The profits are used to purchase new materials for the library media center, sponsor author/storytellers, and other enrichment activities. A letter informing parents of the book fair will be sent home before the event. Volunteers are needed to operate the book fair.

Web Page:

Access the updated Lula Elementary web site at <http://lula.hallco.org>

Twitter @LulaElementary

Facebook @lulaelementary

Services Section

The Learning Commons staff looks forward to instructing and assisting your child this year. We want you and your child to consider this Learning Commons as a location for learning, enjoyment, and enrichment. We would like you to become familiar with the staff and the procedures.

The Learning Commons strives to be the hub of Lula Elementary School. The students utilize this facility and its materials for their educational requirements as well as for personal reading. The following guidelines will allow you to become familiar with the policies. It is a privilege to use the library media center and its materials. There are rules and responsibilities associated with the privileges.

Student Services:

Responsibility:

It is the student's responsibility to maintain the book in good condition while it is being used and to return the book by the due date. You will need to pay for lost or damaged books. The student is also responsible for following school and library media center behavior rules.

Respect is our main rule!

For class/media center research, a Student Internet Form must be signed.

Kindergarten:

Kindergarten students receive several classes on taking care of books and how to use the Learning Commons before they are allowed to check out. Please talk to your child about

the use of the Learning Commons and the need to follow the guidelines. Students use Hallco ID # for the Learning Commons, lunchroom, and computers.

Grades 1-5:

Each student is taught how to check out and in.

Grades 1-4 may check out **two** books. Fifth grade is allowed to check out three books. Books are circulated for 14 days and may be renewed by the student on or before the due date. Students should not have more than the allowed items checked out. Reference materials may be used in the Learning Commons. However, a teacher may check out reference materials for classroom use. Magazines will be checked out after the first nine weeks of school based on grade level.

Overdue Notices:

Overdue notices will be printed and distributed at least once every six weeks. Overdue fines are not charged. However, the student is required to **pay for lost or damaged materials**. If a student loses more than two books during the year, conditions may be placed on the borrowing privileges of the student. This is at the discretion of the media specialist. The parent will be refunded the money if the lost book is returned in good condition before the end of the school year. There is a **fifty-cent fine** for removing a barcode from the book. Please do not peel off the barcodes.

There will be **no** checkout allowed to students who have overdue materials. It is not our intention to discourage any student who desires to read, but it is important that students display responsibility for books entrusted to them. All payments must be paid by the last day of school! Students do not receive report cards if student has overdue book.

Parent Services:

We have a parent collection of various materials that will assist you in nurturing and encouraging your child in reading and life. All parents need a little advice now and then. Browse our collection of books.

Parents may check out books. Please see the media specialist for this privilege. Books may circulate for one week and then must be returned. Parents are responsible for lost or damaged materials. Audiovisual and reference materials may be used in the Learning Commons.

Community Services:

The Learning Commons welcomes you. However, since it functions as a learning laboratory, many kinds of activities occur simultaneously. If there are group activities taking place, please seek assistance. Please be aware that information for students comes first. You may use the materials in the Learning Commons. Please see the media specialist if you need to check out materials.

Challenged Materials:

Please refer all complaints and/or challenged materials to the media specialist. The procedures outlined in the Hall County Media Policy Manual will be followed.

Assigned reading materials designated, as primary resources should:

- -directly support learning objectives correlated to the Georgia Standards of Excellence;
- -be previewed by teachers prior to being shared with students;
- -promote thoughtful, respectful discussion;
- -provide a variety of viewpoints and opinions (balance is key);
- -represent and reflect student population (ethnicity, culture, student interests) and be age and grade level appropriate;
- -be posted on teacher Canvas pages.

Further Guidance/Information

- Titles of collections located in media centers are accessible to stakeholders via the Destiny website (destiny.hallco.org).
- The media specialist should be consulted when building classroom collections.
- The HCSD will continue its practice of providing an alternative reading assignment at parent/guardian request.
