

eLearning Choice Board

1st Grade Math & Reading

emily.ray@hallco.org sheri.skelton@hallco.org martha.terrell@hallco.org
Choose 6 activities to complete. Cross them off when you are finished.

If you want to extend your learning, complete them all!

<p>Draw three different snowmen. Cut/tear them out. Put them in order from shortest to longest.</p>	<p>Write a story using these words: cold, snow, play</p>	<p>Help make a simple recipe with an adult. (Cookies, fruit salad, chocolate milk, etc.)</p>
<p>Rainbow write these words 2x each: mine nice ride time</p>	<p>Find a toy, doll, or stuffy. Teach them something you have learned in school.</p>	<p>Make a comfy reading nook using pillows and blankets. Read for 10 minutes.</p>
<p>Measure your bed, couch, or table with your hand. How many "hands" long is it?</p>	<p>Think of your favorite story. Draw the characters from that story.</p>	<p>Make a paper airplane. Measure how far it goes.</p>

How you rate your level of effort on this choice board?
